Peter,

SITLA concurs with the further release of \$2,500.00 of the financial guarantee with \$500.00 to be held to ensure re-vegetation of the site.

Thanks!

Hi Jerry,

Here's a correction. The total bond held is \$3,000. We are proposing the release of \$2,500 of the remaining \$500.

Can you concur with this release?

Thanks.

Peter

Hi Jerry,

Ben Wilcken has completed the additional, minor work that we required of him, and we are ready to release an additional \$4,500 of the \$5,000, since only revegetation needs remain for this small site. The remaining \$500 would be held as revegetation surety. Please see the attached inspection report.

Could you concur with this additional partial bond release of all but \$500?

Peter
